WP5: Planned

Title and reference number of the work package (WP)

Title of working package: DISSEMINATION
Reference number: WP 5
Lead Organisation : P3 (UNI-Serbia)

Indicators of achievement and or/performance as indicated in the project proposal

Dissemination plan established
Website developed
Promotion material created
Promotional activities for trainings of engineers and local communities
Training of engineers carried out
Training for local communities for prevention of torrential floods

WP5: Activities

5.1.	Project website created and maintenance
5.2.	Establish dissemination plan
5.3.	Promotion material created
5.4.	Trainings plan defined and adopted
5.5.	Promotion trainings with engineers in enterprises
5.6.	Trainings in local communities

Soil Erosion and TOrrential Flood
Prevention: Curriculum Development at the
Universities of Western Balkan Countries

Activity 5.1. Project website created and maintenance

- Website developed in June 2019 (www.setof.org)

Co-funded by the
Erasmus+ Programme
of the European Union

Soil Erosion and TOrrential Flood
Prevention: Curriculum Development at the
Universities of Western Balkan Countries

Activity 5.2. Establish dissemination plan

- Dissemination plan adopted at the 1st Steering Committee Meeting (May 17, 2019) (<https://www.setof.org/setofprojects/dissemination-plan/>)

Soil Erosion and TOrrential Flood
Prevention: Curriculum Development at the
Universities of Western Balkan Countries

Activity 5.3. Promotion material created

- Visual identity kit (February 2019)
- Project leaflet; project brochure; poster (June 2019)
- SETOF Newsletter No 1. (December 2019)
