Quality plan and monitoring

UNIRC

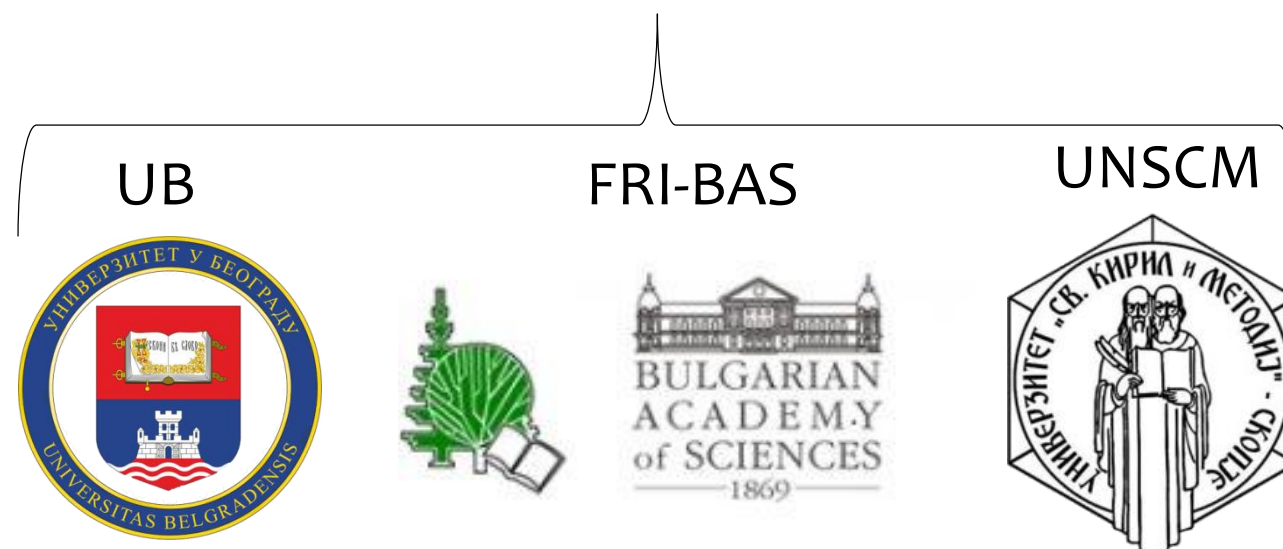

Lead Organisation

The Mediterranean University of Reggio Calabria

Participating Organisations

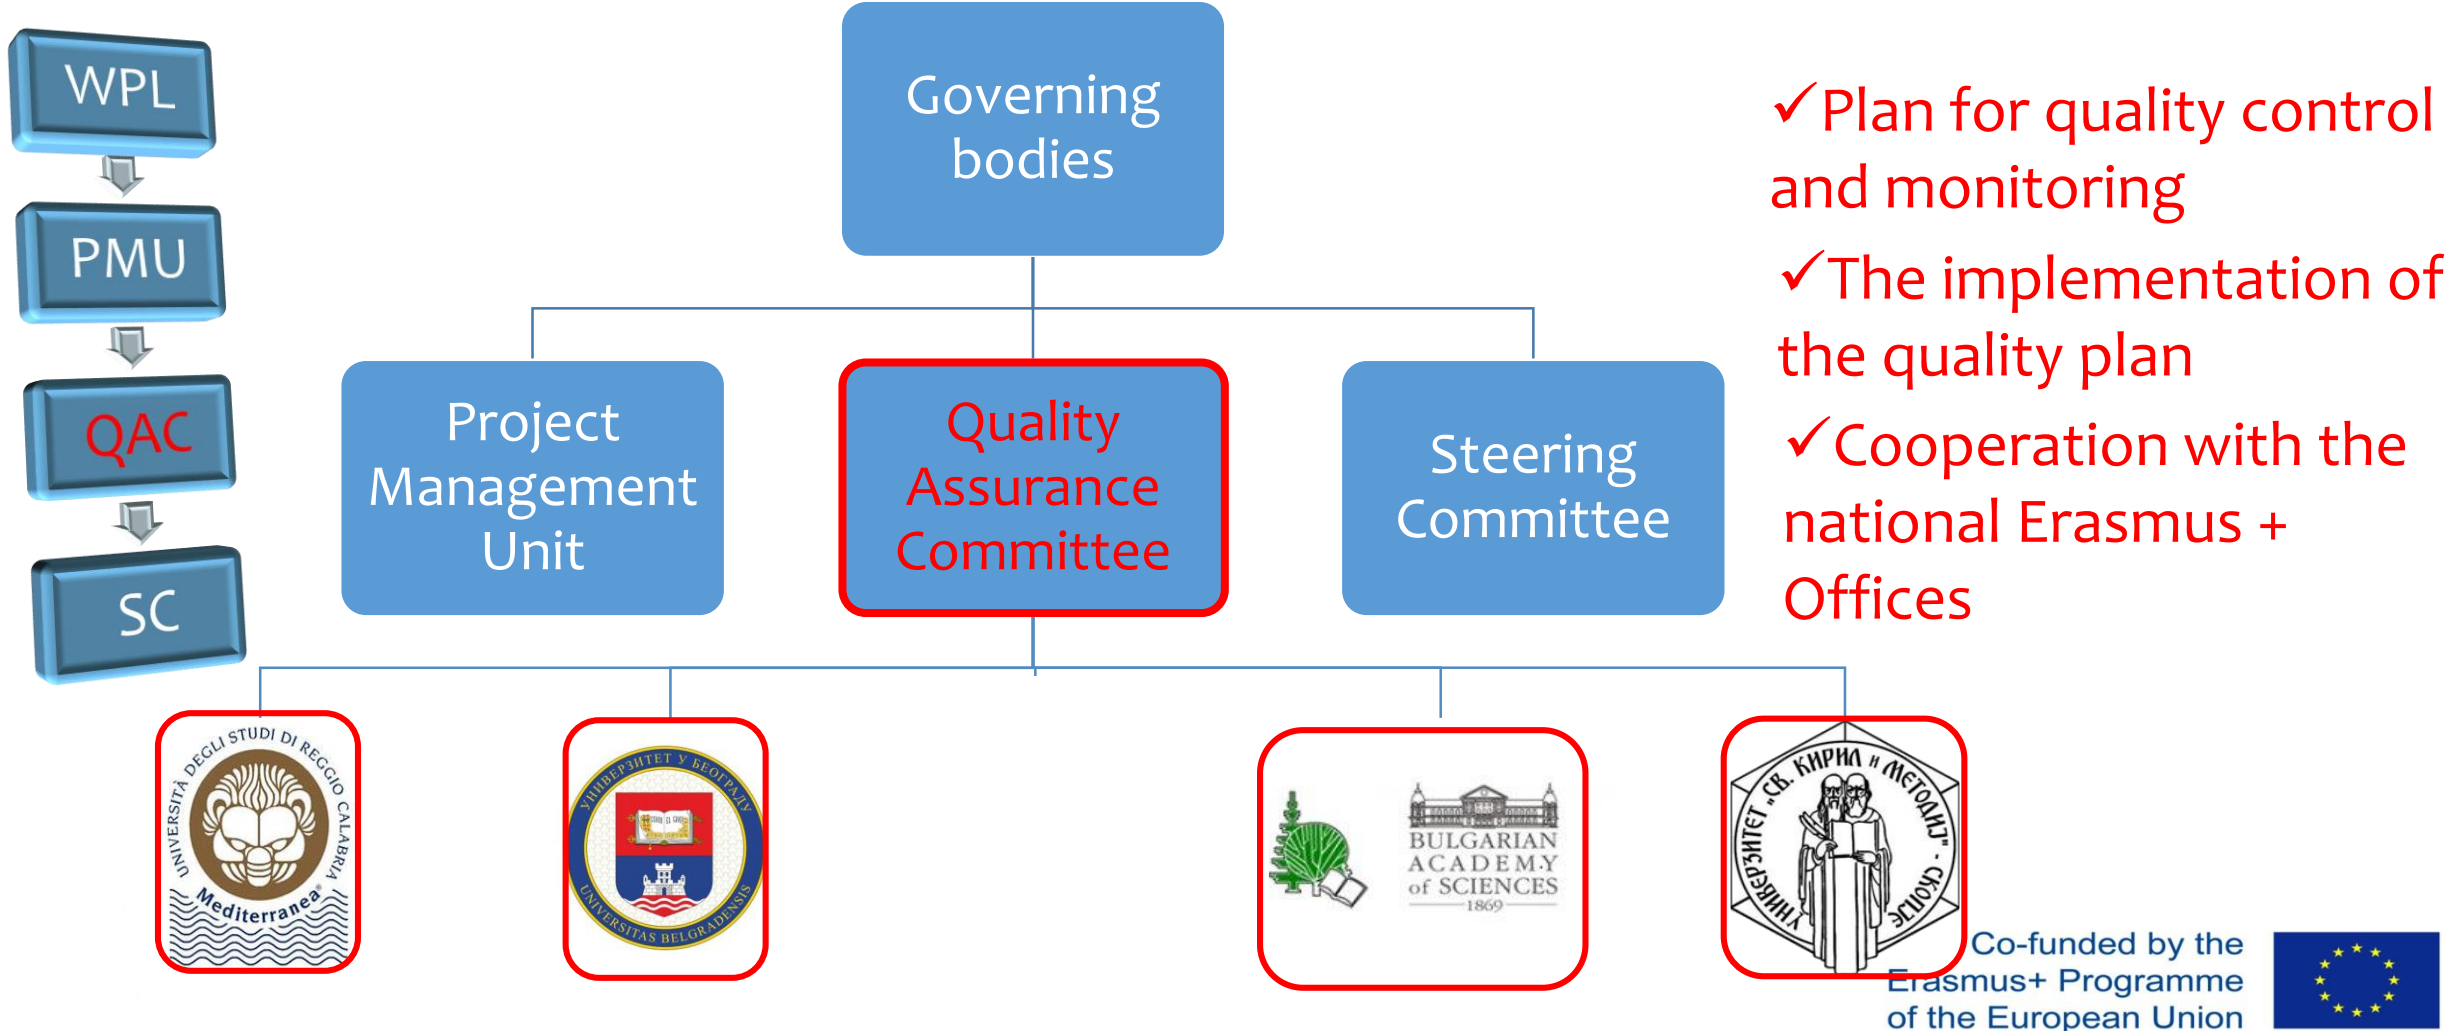

1. University of Belgrade
2. Institute of Forestry, Belgrade
3. Forest Research Institute at the Bulgarian Academy of Sciences
4. Ss. Cyril and Methodius University in Skopje

Project management

Vertical communication

Quality control and monitoring

The main objectives of quality control are:

- ✓ monitoring and evaluation of execution of the activities and results achieved in the project
- ✓ the definition and implementation of quality standards in the improved study programs.

Quality control will be performed at two levels:

- the internal level - Quality Assurance Committee
- the external level - External evaluator

Obligations:

- 4 reports
- 2 reports

Soil Erosion and TOrrential Flood
Prevention: Curriculum Development at the
Universities of Western Balkan Countries

Quality control and monitoring

Universität für Bodenkultur Wien
University of Natural Resources
and Life Sciences, Vienna

Enrollment of
students,
until Sept.
2020.

Questionnaires

2x a year

Results

Meeting of QAC

Final report

Soil Erosion and TOrrential Flood
Prevention: Curriculum Development at the
Universities of Western Balkan Countries

Co-funded by the
Erasmus+ Programme
of the European Union

Estimated Start Date: 15-10-2018

Due date:

Type: report

1. Quality plan establishing – **4 weeks**
2. Quality control according to the adopted plan and measures for improving – **8 weeks**
3. External financial control – **6 weeks**
4. Quality assurance Committee meetings – **10 weeks**

Estimated End Date: 15-10-2021

1. Quality plan establishing

- At the beginning of the implementation of the Project, Quality Control Plan will be created. The Quality Assurance Committee is responsible for drafting this Plan, as well as for the implementation of the adopted plan. The Plan shall be adopted by the Steering Committee.
- **Due date** - 4 weeks
- **Languages** - English
- **Target groups** - Teaching staff, Administrative staff
- **Dissemination level** - Department / Faculty, Institution, National, International

2. Quality control according to the adopted plan and measures for improving

- The master and bachelor curricula application and development Quality Control Plan shall be implemented by QAC according to the adopted dynamics. The control means making a comparison of the planned and the executed activities. Should there be any delay in the performance of the activities, the measures stipulated by and in the Plan shall be undertaken in order to eliminate the said delay in work performance. acapra@unirc.it
Demetrio Antonio Zema dzema@unirc.it
- **Due date** - 8 weeks Giuseppe Bombino giuseppe.bombino@unirc.it
- **Languages** – English, Serbian, Bosnian
- **Target groups** - Teaching staff, Students, Administrative staff
