1. Introduction

The promotion of the new master program was planned to be carried out prior to enrolment in the school year 2020/2021 and continuously during the master course in 2021-2022. The promotion was made through the website of the SETOF project, social networks (Facebook, Linkidin, Instagram), radio, TV and through promotion of the master program for enrolment of students.

2. Activities

Promotion through web site and social media

The promotion was made through the website of the SETOF project and social networks (Facebook, Linkidin, Instagram). This information is continuously shared among students. Link to the web page of the SETOF project is given by University of Sarajevo (<https://www.unsa.ba/projekti/setof-soil-erosion-and-torrential-flood-prevention-curriculum-development-universities>) and Faculty of Forestry in Sarajevo web page (<https://www.sfsa.unsa.ba/web/projekti/>).

Also, University of Banja Luka shared information about student master studies (<https://www.unibl.org/en/cooperation/international-educational-projects/list-of-erasmus-projects>) and Faculty of Forestry in Banja Luka.

Promotion through trainings

Promotion form student enrolment was made during trainings for engineers and local communities in Federation of Bosnia and Herzegovina and Republic Srpska done in 2021.
